Unity is an outreach ministry of the Move of God Ministries. Unity is a talk show that brings people together to learn how to exchange ideas to develop spiritual growth, business and health awareness. Since Unity has been on the air, we have seen people come to the church that has never been there before. People looking to God for the answers to their problems and the church is that doorway that they need. Even our members can benefit from the business community as well. Finance plays a big part in running a home. Unity has opened the door up for our church to better help our members who are in need.

Unity has been airing on television since February 2005. It can be viewed on WCGT Channel 16 in Columbus GA which is owned by Christian Television Network. Every Sunday at 5:30pm people tune in to watch this all new Christian talk show. The episode is only for 30 minutes on Sunday. Unity is produced by Time Peace Entertainment Management Group. We target Columbus, Georgia, Phenix City, Alabama and surrounding areas.

We are asking the Commission to undo the burden of closed captioning. Our church, Move of God Ministries, hereby requests an exemption from closed captioning rules for Unity Talk show, pursuant to § 79.1 (f) Procedures for exemptions based on undue burden of the FCC's rules.

Unity outreach is going to move to a bigger network. The airtime charges each week is \$125.00 for a 30-minute program. We have provided a cost sheet for closed captioning. This would increase the cost of each show to \$462.00 per program. Our church is small and we have about 50 members and the majority of them are on a fixed income. So please consider this petition to exempt us from paying the fee. We need to keep Unity on television. It is truly blessing people from all over the area. We also thank our sponsors that provide us with the money to pay for the airtime. The money they provide is \$500 per month for WXTX Fox 54 here in Columbus, Georgia. As you can tell there is no money for extra. We the people had to work hard to get the money for the airtime.

The Move of God Ministries is a small church with about 50 members in it. We are a non-profit religious institution. We have a food and clothing ministry to help people in need of assistance. We also go out into the streets witnessing about Jesus Christ and inviting people to church. Our television ministry deals with health awareness, mental illness, finance, religion, and just everyday problems. The purpose is to be a light to the community. It is a means of the people to learn how to better themselves in life.

We also feel our program also meets the requirements of the local non-news exemption. We believe that the local, non-news exemption to the closed captioning rules also applies to the Unity Show. The program is produced and distributed locally, and the sermons of Move of God Ministries are primarily of local public interest. The episodes are not news. We the people of Move of God Ministries is requesting that the Commission should grant a waiver of the closed captioning requirements in this case because requiring closed captioning would create an undue burden on the church television ministry. The cost of captioning would be excessively high and would have a significant impact on petitioner's operations. So please grant us this exemption we need to move forward in this ministry.

Respectfully submitted,
